CV

Accomplished Associate Software Developer with expertise across diverse development stacks and programming languages. Proficient in delivering high-quality solutions through effective communication and collaboration. Demonstrated ability to produce deliverables within agreed timelines, ensuring successful and cost-effective project completion.

Nithish P

SOFTWARE DEVELOPER

Education

- Bachelor of Engineering (Mechanical)
  - St. Joseph's College of Engineering, [City, State]
  Graduated 2021
- Higher Secondary School Certificate
  - St. Bede's Anglo Indian Higher Secondary School, [City, State]
  Graduated 2017

Experience

Finforz (December 2021 - August 2024)

SCB Trustee (3rd Eye) and RTSG Projects

- Utilized Angular and TypeScript to develop and enhance dynamic web applications, improving user interaction and experience.
- Implemented dynamic interface pages, integrating frontend with backend services via APIs for seamless data exchange.
- Leveraged Angular services and dependency injection to create modular and maintainable code.

GECS Project and Bug Fixing and Maintenance

- Led the migration project from MSSQL to PostgreSQL, ensuring minimal downtime and maintaining data integrity.
- Developed scripts and automated processes to facilitate smooth data transfer and transformation.
- Optimized database queries and performance to efficiently handle large datasets.
- Addressed and resolved bugs in MVC .NET applications, enhancing overall stability and performance.
- Maintained and updated MVC .NET applications, ensuring compatibility with new features and technologies.
- Implemented security best practices to protect data and prevent vulnerabilities.
- Collaborated with cross-functional teams to troubleshoot issues and provide timely solutions and improvements.

Skills

Languages & Frameworks:

- HTML
- JavaScript
- C
- C++
- SQL
- NET
- C#
- Angular
- React

Database Management:

- MSSQL
- PostgreSQL

Development Practices:

- MVC .NET
- API Integration
- Data Migration
- Bug Fixing
- Performance Optimization
